

Goodbye, old lease. Hello, possibilities.

You have three lease-end options:

Lease a new Ford vehicle.

Check out the loyalty benefits.

Buy your Ford vehicle.*

Not ready to give your vehicle back?

Then don't. Simply contact your dealer to make it yours.

Return your Ford vehicle.

Your loyalty pays off with Ford Credit.

Because we already know you, when you purchase or lease a new Ford vehicle, we make getting your next one simple. You may also qualify for exclusive offers:

- Disposition Fee** Waiver
- Excess Wear and Use Waiver†

*Electric vehicles may not be eligible for purchase at lease-end; please refer to your Lease Agreement for details. **A disposition fee applies to returned vehicles, if disclosed on the Lease Agreement. Qualifying lease customers who purchase or lease a new Ford, Lincoln, Ford Blue Advantage®, or Lincoln Certified Pre-Owned vehicle may be eligible for a waiver. See your dealer for details. †Waiver requires payment of all other remaining charges and renewal into a new Ford Credit retail contract or Lease Agreement. Offer does not apply to excess mileage or terminating Lease Agreements covered by wear and use waiver products. Not all buyers will qualify for Ford Credit financing. Offer may be canceled at any time.

You've arrived at a fork in the road.

How will you roll? Start by making one of three choices.

Steps for Your Journey

Lease a new Ford vehicle.

Review your Lease Agreement and mileage so you are not surprised.
Start looking for your new vehicle, which may have to be ordered.
Review the [vehicle inspection checklist](#).
Schedule an inspection.
Make any necessary fixes – keep your receipts.
Gather and return all items that came with the vehicle.
Go to the dealership to turn in your current lease and get a new Ford vehicle.
Cancel your automatic payments.

Purchase your Ford vehicle.

Contact originating dealer to get the payoff.
Make financial arrangements and be sure you have insurance.
Go to the dealer and purchase your vehicle.
Cancel your automatic payments.

Return your Ford vehicle.

Review your Lease Agreement.
Review your miles – which may change your plans if you have too many.
Schedule an inspection.
Gather and return everything that came with the vehicle.
Go to the dealership to complete your lease.
Cancel your automatic payments.

We want to help prevent any surprises as your journey ends. So, please get an inspection, review your wear and use, and check your mileage guidelines:

- Your vehicle inspection will be completed by Alliance Inspection Management (AiM). You should use their [scheduling tool](#) to make an appointment within 60 days of lease-end. To do this, you will need your Vehicle Identification Number (VIN) and Ford Credit Account number. If you can't schedule an appointment, please contact Ford Credit at 1-800-727-7000.
- Your leased vehicle is expected to be returned in good condition. However, Ford Credit allows for normal wear and use. Check out the [Ford Credit website](#) for specific information on Wear and Use guidelines.
- Keep in mind that if you purchased WearCare®, your Excess Wear and Use charges will be waived up to \$5,000 in most cases. See your WearCare Addendum for details and exclusions on coverage.
- Check your Lease Agreement, use [Account Manager](#), or give us a call (1-800-727-7000) to confirm how many miles your current lease allows. If you exceed that amount, there will be additional fees per the agreement.
